RH SUB-CLUSTER UPDATES AND REQUESTS

2020-05-11

Updates	Request
RH cluster has finalized the interim technical guidance for programme managers and health services providers on RMNCAH services, pending endorsement.	Urgent endorsement of the interim guidance to enable immediate nation-wide roll-out
A detailed nation-wide roll-out plan of the interim technical guidelines	Stock out of FP commodities needs urgent attention
Flyers and risk messaging for pregnancy danger signs, new born danger signs also being developed for COVID 19 context	PPEs for service provision as per govt. guidelines for rational use
Helpline and toll free numbers also initiated by few RH cluster partners for provision of regular information and counselling on SRH services.	Routine RH OPD services needs to be regularized

Progress Updates

A short term plan: *COVID 19 Intervention Framework on MHPSS* and *guidelines* to deliver Remote Psychological first aid has been developed

>2200 people have accessed helpline services

A *package to orient schools on MH needs of children* while they reopen is being developed

13,000 people have received Psychological First Aid/basic counselling

Psychiatrist Association of Nepal is collaborating with Ncell through by establishing helpline service where psychiatrists responds to the call

At least 175 hospital staffs from two hospitals benefitted from stress management workshop

IEC:

- Translation into regional language
- Radio program Radio program: '*Jiwan Rakchya*'
- PSA broadcasted through >500 local/community radio channels

> 500,000 people have reportedly viewed different MHPSS materials in media campaigns

188 teachers from 5 schools oriented on MH needs of children

KEY ASKS FROM MOHP

MoHP thank all partners for your generous support Still there are GAPS that partners can continue to help us in the following areas:

- **TEST,TEST,TEST:** RT-PCR Test ;VTM; RNA extraction kits etc.
- **IPC (PPEs):** Masks, Gowns, complete PPE sets, Goggles, Gloves
- **Risk Communication/Innovative Community Engagement**
- **Continuation of Essential/Basic health services** (TB/HIV/MALRIA/DENGUE RH,MH,NCDs, Immunization, etc)

Lives must be saved from other diseases even in this COVID-19 Situation....

HEALTH CLUSTER CONTACTS
