- Policy level update-3

Challenges and Suggestions

Challenges	Suggestions (if Any)
Influx of people from India is increasing(Approx. 2500-3000 per day)	
Isolation bed scarcity	
Less capacity of testing machines	
Few urban municipalities and rural municipalities are still lacking CICT teams.	
PCR test kits are insufficient to cover the population.	

Needs, Supports & Requirements (with numbers where possible)

- PCR Reagent-
- Medical Officers-
- Nurses-

TAKE CARE and STAY SAFE
